CITY OF LORENA AUTOMATED GARBAGE SYSTEM

- Garbage service is included with your water and sewer billing from City of Lorena.
- Residents on the east side of IH 35 will have garbage and recycling picked up on Tuesdays.
- Residents on the west side of IH 35 will have garbage and recycling picked up on Wednesdays.
- City of Lorena will ONLY pick up what is in the provided cans. The truck is not able to pick up any other cans or waste that is not in the provided can.
- If an additional can is needed, City Hall will provide one for an additional monthly fee of \$11.19 plus tax.
- Please place carts near the end of the driveway in the street, five feet of clearance should be surrounding cart on all sides.
- Cart lids must be completely closed or cart will not be emptied.
- Carts will not be emptied if they are overfilled or have anything placed on top of the lid.
- Garbage must be set out by 8 am and removed from collection area by 8am the following day.
- Holidays will not affect garbage collection service.
- Please bag all trash to keep our community clean.

Unacceptable Items:

Gasoline

Vehicle Tires

Debris from Constructions (disposed of by the contractor performing the work).

Hazardous Waste

Motor Oil (and Used Filters)

Batteries

Fluorescent Bulbs

Paints

Large Pieces of Metal

DISPOSAL OF BRUSH, LEAVES, & GRASS CLIPPINGS

We have had a few inquiries as to how citizens can dispose of natural, bio-degradable materials now that the City has cart service. Here are the options available:

1. If you have any extra space in your cart, you can put a little at a time on top of the garbage in your cart until you work it away. All household garbage inside the cart is required to be bagged, but in the case of the natural vegetation waste, it doesn't have to be bagged. If the wind blows some of it away during dumping, it will be in the street or back in your yard, but it is not litter the way paper, plastic, and other household waste is. It will rot in time and not be visible.
2. You can call the City and order a second cart. The cost is \$11.19 plus tax each month, with a minimum commitment of 6 months of second-cart service.
3. You can take these natural items to the City Yard on the regular schedule for accepting such as that. The schedule is: every Monday and Wednesday from 2PM to 4PM and on the second Saturday from 10A-12N. You even can bring tree limbs up to 3 inches in diameter on that schedule, just as you have been able to do for the last several years.
4. Call City Hall and schedule a truck and crew from the City to make a special trip to pick up these items. A \$55.97 plus tax fee will be added to your utility bill to cover the City's expense for this service.
5. The City of Waco landfill will accept these items. They are located on Highway 84 just south of Woodway/Waco. You may take them there.

Water and Sewer Rates Effective 10-1-2022

CITY OF LORENA WATER & WASTEWATER RATES

Water Rates					
Table	Class	Minimum Bill	Volumetric per 1,000
